Biochemistry: A Short Course, 2nd Edition, Author: John L ...

The course is required before I start med school next year, and I feel the broad overview of biochemical pathways and mechanisms is more than enough detail to give me a solid foundation. It's introductory, meaning you won't find graduate-level exposition of the 30+ enzymes involved in insulin signaling, but if you're looking for that level then ...

Students who qualify by prior examination during orientation week can place into the advanced tracks.

There are two options. Track 2 students take, in the fall term, a special one-term intensive course in general chemistry in place of the one-year course. In the second year, students study organic chemistry and take organic chemistry laboratory.
