As a five-year-old, George Alaghiah emigrated with his family to Ghana - the first African country to attain independence from the British Empire. A PASSAGE TO AFRICA is Alaghiah's shattering catalogue of atrocities crafted into a portrait of Africa that is infused with hope, insight and outrage. In vivid and evocative prose and with a fine eye for detail Alaghiah's viewpoint is spiked with the freshness of the young George on his arrival in Ghana, the wonder with which he recounts his first impressions of Africa and the affection with which he dresses his stories of his early family life. A sense of possibility lingers, even though the book is full of uncomfortable truths. It is a book neatly balanced on his integrity and sense of obligation in his role as a writer and reporter. The shock of recognition is always there, but it is the personal element that gives A PASSAGE TO AFRICA its originality. Africa becomes not only a group of nations or a vast continent, but an epic of individual pride and suffering.

Exam Board: Edexcel Level & Subject: International GCSE Biology and Double Award Science First teaching: September 2017 First exams: June 2019

The Nelson Modular Science series is made up of three books divided into Single, Double and Triple Award modules. Book 1 covers six Single Award modules and one coursework module, Book 2 contains six Double Award modules whilst Book 3 covers the six Triple Award modules. Each module is covered in self-contained units. The series matches the Edexcel Modular Science (B) specifications. It is fully covered with links throughout to supplementary reading materials and ICT activities on a dedicated website.

Foundation Book 1 is developed for those taking the Foundation Tier Single Award modules and Foundation Book 2 is for the Foundation Tier Double Award Modules. The features include: a clear identification of Topic Areas, Learning Outcomes, Key Facts and Did You Know? sections. Each module is covered in self-contained units. Practice questions are included in every section for confidence building and thorough exam preparation. Support for Book 1 can be found in Teacher Support Pack Book 1.

Exam Board: Pearson EdexcelLevel: GCSE (9-1)Subject: ScienceFirst Teaching: September 2016First Exams: June 2018 Target Grade 7 workbooks build skills from Grade 6 and extend into Grade 8 to help students to catch up, keep up and make expected progress in GCSE (9-1) Science. This workbook: targets key misconceptions and barriers to help students get back on track addresses areas of underperformance in a systematic way, with a unique approach that builds, develops and extends students' skills gets students ready for the GCSE (9-1) assessments with exercises focused around exam-style questions provides ready-to-use examples and activities addresses an area of difficulty in each unit with a unique approach, to develop and extend students' skills.

Exam Board: Edexcel Level & Subject: International GCSE Biology and Double Award Science First teaching: September 2017 First exams: June 2019

As part of the Nelson Modular Science series the foundation books focus on the foundation level work in each module. Each module is covered in self-contained units. Two colour support books cover all the foundation tier material to Double Award and they can be used alongside the main texts as additional support or as stand-alone resources. Edexcel Modular Science (B) specifications. Ideas and evidence in science are fully covered with links throughout to supplementary reading materials and ICT activities on a dedicated website.
