MOULTRIE, Ga ...

Written specifically for JROTC cadet drill teams, color guards, their instructors and competition judges. This book replaces the books Filling in the Gaps, Volumes I and II with the whole library of articles from the drillmaster.org website from its inception in 2011 to January 2017, organized into chapters that specifically address drill teams, ceremonies, color guards, general information, and judges.

For all services, this is the field manual that every regulation color guard/color team coach needs and even includes information on a colors detail (reveille/retreat). It's like taking your service drill and ceremonies manual out with you, but in a much more concise and explanatory tool that fits in your cargo pocket. Complete with a space on most pages for instructor notes! Ideal for ROTC, JROTC and all cadet program instructors and coaches! Train your unit using the sound drill and ceremony principles of the American military, specifically enhanced by The DrillMaster for competitive teams. This training is not offered anywhere else. Also available in

spiral binding.

Members of the naval service will find that at all points in their careers they can expect to be involved to some extent in the planning and execution of official ceremonies and social events. Protocol is a code of established guidelines on proper etiquette and precedence which, when followed, lays the foundation for a successful event. From this foundation, the host should consider the facets which make a particular situation unique, and from there, use imagination to design a memorable occasion. The most important consideration in planning should always be the comfort of one's guests. A clever host/hostess is able to reach a proper mixture of protocol and common sense that will enable guests to enjoy themselves completely. If this is accomplished, an event is truly successful.

The United States Marine Corps is the largest such force on the planet, and yet it is the smallest, most elite section of the U.S. military, one with a long and storied history. Here, in the most current version of the manual used by the Corps itself, is the basic guidebook used by all rifle platoon squad leaders. Discover: . the organization, weapons, capabilities, and limitations of the Marine rifle squad . the squad's role within a platoon and that of the fire teams within the rifle squad . offensive and defensive tactics and techniques . the various patrols squads conduct . numerous charts and illustrations . and much, much more. Military buffs, wargamers, and anyone seeking to understand how American armed services are being deployed in the ever-changing arena of modern warfare will find this a fascinating and informative document.
