Ideas: In interstate commerce, state laws must yield to federal laws; the federal government has power to regulate almost any-thing that moves across state lines. Promoted nationalism: by pre-venting states from acting in ways that hurt other states 2. Ideas: Spain ceded Florida to

Teachers facing the challenge of meeting the diverse reading needs of students will find the structure and tools they need in Jan Richardson's powerful approach to guided reading. Richardson has identified the essential components of an effective guided reading lesson: targeted assessments, data analysis that pinpoints specific strategies students need, and the use of guided writing to support the reading process. Each chapter contains planning sheets to help teachers analyze assessments in order to group students and select a teaching focus Includes detailed, ready-to-go lesson plans for all stages of reading: emergent, early, transitional, and fluent

Show Students How Geography Affects Their Lives.

#1 NEW YORK TIMES, WALL STREET JOURNAL, AND BOSTON GLOBE BESTSELLER • One of the most acclaimed books of our time: an unforgettable memoir about a young woman who, kept out of school, leaves her survivalist family and goes on to earn a PhD from Cambridge University “An amazing story, and truly inspiring. It’s even better than you’ve heard.”–Bill Gates NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW • ONE OF PRESIDENT BARACK OBAMA’S FAVORITE BOOKS OF THE YEAR • BILL GATES’S HOLIDAY READING LIST • FINALIST: National Book Critics Circle’s Award In Autobiography and John Leonard Prize For Best First Book • PEN/Jean Stein Book Award • Los Angeles Times Book Prize Born to survivalists in the mountains of Idaho, Tara Westover was seventeen the first time she set foot in a classroom. Her family was so isolated from mainstream society that there was no one to ensure the children received an education, and no one to intervene when one of Tara’s older brothers became violent. When another brother got himself into college, Tara decided to try a new kind of life. Her quest for knowledge transformed her, taking her over oceans and across continents, to Harvard and to Cambridge University. Only then would she wonder if she'd traveled too far, if there was still a way home. “Beautiful and propulsive . . . Despite the singularity of [Westover’s] childhood, the questions her book poses are universal: How much of ourselves should we give to those we love? And how much must we betray them to grow up?”–Vogue NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • O: The Oprah Magazine • Time • NPR • Good Morning America • San Francisco Chronicle • The Guardian • The Economist • Financial Times • Newsday • New York Post • theSkimm • Refinery29 • Bloomberg • Self • Real Simple • Town & Country • Bustle • Paste • Publishers Weekly • Library Journal • LibraryReads • BookRiot • Pamela Paul, KQED • New York Public Library

The Guided Reading: Synthesize resource book for first and second grades features 36 readers—six sets of two each for below-, on-, and above-level student readers. Ready to Go Guided Reading: Synthesize is an effective guided reading resource for first and second grades. This reading comprehension resource book includes: -discussion guides -prompts to encourage students to work with the text and text features -leveled readers that cover high-interest topics -graphic organizers and an observation sheet The readers are separated into below-, on-, and above-level reading skills. This reading comprehension resource contains callout boxes to direct students to apply guided reading strategies to the texts, such as scanning for meaning or word work. Each reader concludes with a writing prompt so students can show what they learned. The 12-book Ready to Go: Guided Reading series for grades 1–6 provides the elements you need for your guided reading lesson plans. Each 80-page book contains 36 total readers, six discussion guides, and three reproducible pages. The series features four books for each grade span and focuses on the following comprehension strategies: -Analyze -Determine Importance -Synthesize -Visualize The readers contain short nonfiction texts and text features such as vocabulary banks, charts, maps, and photographs.

The New York Times best-selling book exploring the counterproductive reactions white people have when their assumptions about race are challenged, and how these reactions maintain racial inequality. In this “vital, necessary, and beautiful book” (Michael Eric Dyson), antiracist educator Robin DiAngelo deftly illuminates the phenomenon of white fragility and “allows us to understand racism as a practice not restricted to ‘bad people’ (Claudia Rankine). Referring to the defensive moves that white people make when challenged racially, white fragility is characterized by emotions such as anger, fear, and guilt, and by behaviors including argumentation and silence. These behaviors, in turn, function to reinstate white racial equilibrium and prevent any meaningful cross-racial dialogue. In this in-depth exploration, DiAngelo examines how white fragility develops, how it protects racial inequality, and what we can do to engage more constructively.

A special 25th anniversary edition of the extraordinary international bestseller, including a new Foreword by Paulo Coelho. Combining magic, mysticism, wisdom and wonder into an inspiring tale of self-discovery, The Alchemist has become a modern classic, selling millions of copies around the world and transforming the lives of countless readers across generations. Paulo Coelho's masterpiece tells the mystical story of Santiago, an Andalusian shepherd boy who yearns to travel in search of a worldly treasure. His quest will lead him to riches far different—and far more satisfying—than he ever imagined. Santiago's journey

teaches us about the essential wisdom of listening to our hearts, of recognizing opportunity and learning to read the omens strewn along life's path, and, most importantly, to follow our dreams.

As a botanist, Robin Wall Kimmerer has been trained to ask questions of nature with the tools of science. As a member of the Citizen Potawatomi Nation, she embraces the notion that plants and animals are our oldest teachers. In *Braiding Sweetgrass*, Kimmerer brings these two lenses of knowledge together to take us on “a journey that is every bit as mythic as it is scientific, as sacred as it is historical, as clever as it is wise” (Elizabeth Gilbert). Drawing on her life as an indigenous scientist, and as a woman, Kimmerer shows how other living beings—asters and goldenrod, strawberries and squash, salamanders, algae, and sweetgrass—offer us gifts and lessons, even if we've forgotten how to hear their voices. In reflections that range from the creation of Turtle Island to the forces that threaten its flourishing today, she circles toward a central argument: that the awakening of ecological consciousness requires the acknowledgment and celebration of our reciprocal relationship with the rest of the living world. For only when we can hear the languages of other beings will we be capable of understanding the generosity of the earth, and learn to give our own gifts in return.

Guided Reading: Summarize for first and second grades enhances language arts lesson plans with 36 readers—six sets of two each for below-, on-, and above-level student readers. This resource book engages students with images as they learn about topics such as bees, firefighters, weather, and more. Ready to Go Guided Reading: Summarize offers the essentials for an effective, comprehensive language arts program for first and second grades. This book includes: -leveled readers that cover high-interest topics -prompts to encourage students to work with the text and text features -discussion guides -graphic organizers and an observation sheet The high-interest readers are separated into three readability levels and designed to keep students’ attention. Various callout boxes direct students to apply guided reading strategies to the texts, such as scanning for meaning or word work. Each reader concludes with a writing prompt. The 12-book Ready to Go: Guided Reading series for grades 1–6 includes everything you need for your guided reading group. Each 80-page book is essentially a guided reading set, containing 36 total readers, six discussion guides, and three reproducible pages. Four books are included in each grade span—each focuses on the essential reading comprehension strategies: -Infer -Connect -Question -Summarize All readers contain short nonfiction texts and text features such as callout boxes, photographs, charts, and maps.

Recent world history in a motivating format Glencoe World History: Modern Times draws on the features of Glencoe World History to motivate students, help them understand the connections between recent world events and issues, and give them an appreciation for the interconnectedness of the world's regions and peoples.
