Brilliant for a debut. I high hopes for Em Wolf and will read more from this author. Although it's along similar themes with Find you in the dark series (Meredith Walters) and the Real seties (Katy Evans), Tangled is complicated with darker issues more than just psychiatric illness. Tangled By Em Wolf First order of business, this book needs to get a better cover and title. It is so much better than what you get at face value. Tangled by Em Wolf. 11:38 am  
24 February 2014. Tangled  
has everything I love in a  
romance: love-triangle,  
friend-zone, flawed bad boy,  
angst, forbidden romance,  
hate at first sight,  
addiction, strong heroine.  
This book was HOT! I loved  
the characters. Their  
chemistry was FIERY and  
INTENSE! The angst hurt SO  
good! The author laid out  
all of the elements I enjoy  
in a love story, nicely. I'm
