views and important advice from the field. The book is focused in particular on museum educators and visitor experience staff but useful to anyone in museums or considering entering the sector.

The Care and Keeping of Museum Professionals: Erdman ...
It's worth noting that this book briefly mentions PMS, so it's probably best read after a book like "The Care & Keeping of You 1: The Body Book for Younger Girls", which introduces the concept of menstruation. On the plus side, the book helps to normalize the many emotions a growing girl might be feeling. I like that it is explicit about how ...

For Lewis, treating it right means keeping it dry. "I've always been told that water is the enemy when it comes to cast iron," he says. "I like to use a mixture of salt and oil to clean it out, but if you need to use a little water to really clean it, make sure you dry it thoroughly before adding a little oil." I like grapeseed oil to re ...
