Thinking in Bets' by Annie Duke is probably  
the best book on decision making that I have  
read. The Basic idea of the book is that  
thinking in bets will substantially improve  
the decision-making skills in our day-to-day  
life. Annie Duke is a professional poker  
player and according to her life imitates  
poker, not chess.

poker and what many people can learn from  
professional poker players about making  
decisions when lacking information.

The better books on the area of decision-making - if that is what you, like me, want - are Daniel Kahneman's 'Thinking, Fast and Slow', and Leonard Mlodinow's 'The Drunkard's Walk'. Thinking in bets, as a book on betting, is probably for people who have been losing badly in casinos, in which case, this book won't help much either.
