Who Was Annie Oakley?

You want girl power? Meet Annie Oakley! Born in 1860, she became one of the best-loved and most famous women of her generation. She amazed audiences all over the world with her sharpshooting, horse-riding, action-packed performances. In an age when most women stayed home, she traveled the world and forged a new image for American women.

“Nothing more simple, I assure you. . . . But I’ll tell you what. You must have your mind, your nerve, and everything in harmony. Don’t look at your gun, simply follow the object with the end of it, as if the tip of the barrel was the point of your finger.”—Annie Oakley
Annie Oakley is a legend: America’s greatest female sharpshooter, a woman who triumphed in the masculine world of road shows and firearms. Despite her great fame, the popular image of Annie Oakley is far from true. She was neither a swaggering western gal nor a sweet “little girl.” Annie Oakley was a competitive and resolute woman who wanted to be the best and succeeded. In this comprehensive biography Shirli Kasper sets the record straight, giving us an accurate, honest, and compelling portrait of the woman known as “Little Sure Shot.” Born Phoebe Ann Moses in Ohio in 1860, Annie took her first shot at age eight—“one of the best shots I ever made,” Annie later said. It was the start of her lifelong fascination with shooting. Early local acclaim led to a contest with Frank Butler, a professional sharpshooter. Annie won—and Frank fell in love with her. Annie and Frank (who eventually gave up his own act to be Annie’s manager) were wed not long after and remained married for forty-two years, until their deaths in 1926 just days apart. Annie’s sharpshooting career began while on the road with Frank’s show, but she rose to fame in her seventeen years with Buffalo Bill’s Wild West. Her speed, agility, uncanny precision, and charm soon made Annie world famous. Shooting was her passion; apart from her career with the Wild West, Annie hunted, shot trap, entered many shooting contests, performed for World War I troops, and, in her retirement years, taught thousands of women how to shoot. Annie Oakley provides a vivid and unforgettable portrait of this American original: a prim and proper woman, conservative in her views, hardworking and frugal, whose greatest source of pride was to be accepted as “a lady.” Significant events are documented here for the first time: Annie’s decision to join the struggling Wild West show; her meeting with Sitting Bull; the nature of her feud with Lillian Smith, another Wild West markswoman; and the real reason that Annie’s hair suddenly turned white when she was only forty-one. Thoroughly researched, fully annotated, and entirely unsentimental, this volume is the most complete and accurate record of Annie Oakley’s life and achievements.

Focuses on the childhood of the famous American sharpshooter.

With a widowed mother and six siblings, Annie Oakley first became a trapper, hunter, and sharpshooter simply to put food on the table. Yet her genius with the gun eventually led to her stardom in Buffalo Bill’s Wild West Show during the latter half of the nineteenth century. The archetypal western woman, Annie Oakley urged women to take up shooting to procure food, protect themselves, and enjoy healthy exercise, yet she was also the proper Victorian lady, demurely dressed and skeptical about the value of women’s suffrage. Glenda Riley presents the first interpretive biography of the complex woman who was Annie Oakley.

Annie Oakley had a difficult childhood. Her father died when she was six, so she had to live with other people, including a family who threw her out of the house in the middle of a snowstorm. But Annie persevered. She found she had a natural gift for shooting, and she used her gift to defeat a traveling marksman named Frank Butler. Soon they were married and partners in shooting exhibitions. When Annie joined Buffalo Bill’s Wild West Show, she became one of its most famous acts. People were amazed at her shooting. Annie was proud of her accomplishments. She knew that many women looked up to her. She always set a good example for them, teaching them to aim high.

Wonderful behind-the-scenes look at the life and career of Annie Oakley. More than 100 rare photographs, posters, handbills, and other memorabilia chronicle her life, especially her 17 years touring with Buffalo Bill.

Highlights the life of Annie Moses, better known as Annie Oakley, the United States' greatest female sharpshooter.

Annie Oakley was world-famous when traveling with Buffalo Bill's Wild West Show, but audiences only saw the attractive, athletic sharpshooter who performed astonishing feats of marksmanship. Annie's own niece wrote this biography, showing how a difficult childhood motivated Annie to work hard and use her skills to entertain thousands of people while helping those she could (particularly orphans). She had strong connections to her family and hometown, but never felt able to settle down after living so many years on the road. This is a very personal account of a remarkable woman who amazed crowds wherever she went.

Long before the screen placed the face of Mary Pickford before the eyes of millions of Americans, this girl, born August 13, 1860 as Phoebe Anne Oakley Moses, had won the right to the title of “America’s Sweetheart.” Having grown up learning to shoot game to help support her family, Annie won first prize and met her future husband at a shooting match when she was fifteen years old. He convinced her to change her name to Annie Oakley and became her husband, manager, and number-one fan for the next fifty years. Annie quickly gained worldwide fame as an incredible crack shot, and could amaze audiences at her uncanny accuracy with nearly any rifle or pistol, whether aiming at stationary objects or shooting fast-flying targets from the cockpit of a moving airplane. Despite struggles with her health and even a long, drawn-out legal battle with media magnate William Randolph Hearst, Annie Oakley poured her energy into advocating for the U.S. military, encouraging women to engage in sport shooting, and supporting orphans.

Fifteen-year-old Annie Oakley is the sole supporter of her widowed mother and two siblings. An expert markswoman and independent spirit, she hunts game to sell to the local mercantile to make ends meet instead of accepting a marriage proposal that could solve all her problems. After a stunning performance in a shooting contest against the handsome and famous sharpshooter Frank Butler, Annie is offered a position in the renowned Buffalo Bill’s Wild West Show. Finally, she has a chance to save the nearly foreclosed family farm and make her dreams come true. But then her Indian assistant is found dead in her tent, and Annie is dubious when the local coroner claims the death was due to natural causes. When another innocent is murdered, Annie begins to fear the deaths are related to her. And to make matters worse, her prized horse, Buck, a major part of her act, is stolen. Annie soon discovers that the solution to her problems lies buried in a padlocked Civil War trunk belonging to the show’s manager, Derence LeFleur. And so, with the help of a sassy, blue-blooded reporter, Annie sets out to find her horse, solve the murders, and clear her name.
