Working In The Dark Understanding

Working in the Dark focuses on the authors'
understanding of an individual's pre-suicide
state of mind, based on their work with many
suicidal individuals, with special attention
to those who attempted suicide while in
treatment. The book explores how to listen to
a suicidal individual's history, the nature
of their primary relationships and their
conscious and unconscious communications.

Understanding an Attack The best way for any
company to protect itself from an attack is
to know how one works. Generally speaking,
cyberattacks are analogous to real-life
military attacks.
